

quick-line[®] pendant 2

High Quality, Low Cost, Quick Delivery.

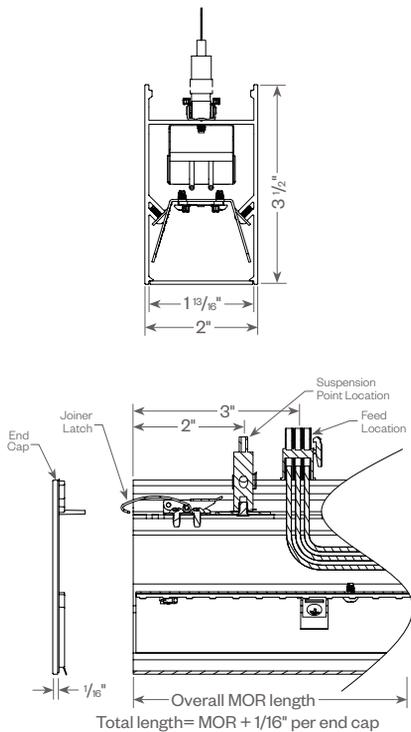

With a slightly larger, 2-inch aperture, this Quick-Line sequel offers a wider distribution of light but keeps the original's link-it, latch-it, cap-it installation process and its patented, industry-best block shields.

Quick-Line 2 offers value pricing, spec-grade quality lighting right off the shelf, just like 1.5" — but at a lower price and a new job-site friendly lead time of five days.

QLP2 Direct, Direct/Indirect

Application:

Commercial, Retail
