# Fino<sup>®</sup>

Stunningly thin. A beautiful visual impression.

# Fino®

Award-winning. Elegant. Gracefully slim.

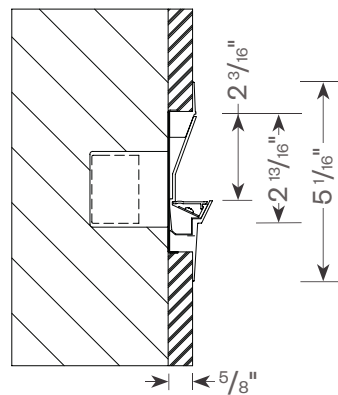

Fino is indirect LED lighting at its most refined. Originally introduced as a thin sleek wall-mounted fixture to light the ceiling or floor, Fino won awards for enhancing multiple settings and designs. It leaves a clean ceiling, installs easily and never affects framing in walls. Our new ceiling-mounted Fino has already won recognition for discreet light directed from above. Fino. Sophistication, elevated.
