

PENDANT MULTIPLES

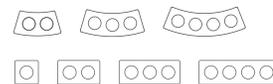

LET YOUR VISION TAKE SHAPE.

Amerlux® pendant multiples are the latest addition to our popular, high-performing Hornet® HP and Cylindrix® III Mini LED families. Expand your design horizons with curved and straight configurations, with the option to easily adjust from recessed to semi-recessed accents in seconds. Add in a clean look, easy maintenance, CBCP-focused optics, and industry-leading output, and our pendant multiples are perfectly poised to bring your vision to light.

A WORLD OF POSSIBILITIES.

Open up a world of design possibilities for commercial, retail, and hospitality spaces. Choose from a versatile range of styles, features, and configurations to set the right scene in almost any environment.

Available in curved and straight configurations.
