Carisma® Track

Linear Track Pendant

amerlux
A brand of Delta

Features

The Carisma® Track offers Global single circuit track cleanly installed in a 2" wide Carisma® housing.

Product Overview

Type:	Global Single Circuit Track in 2" Carisma® Housing
Circuiting:	1 circuit
Voltage:	120V
Amps:	20 amps max

PROJECT:

Specifications

Construction

Extruded aluminum housing with integrated 1 circuit GES track (Track Heads sold separately).
Die-cast end caps match fixture body finish.

Electrical

Single cicuit, 120V, 20 amps max.

Finish

All painted surfaces are premium powder coated baked on for maximum durability and color stability.

HW - High reflective matte White

BT - Black Texture

ST - Silver Texture

For special paint colors supply RAL and/or actual paint chip for factory consultation.

Configurations/Lengths

IND - Individual fixtures are made of single standard lengths of 4ft or 8ft lengths. These are stand alone fixtures with matching End Caps, supplied with the mounting hardware.

CON - Continuous runs, > 8' specified to nearest whole foot length in 4' increments. Runs made from standard lengths have End Caps at the beginning and end of run. Runs > 60' may require second power feed. Each housing has factory installed alignment pins. Mating fixtures are easily aligned and joined. Wiring is made fast and positive with molded quick connectors.

Mounting

The Carisma® Track is intended for pendant mounting.

Pendant Mount-ASWxxD - pendant mounted in center of ceiling tile or gypsum board ceiling (standard) i.e. ASWxx.

Cable is stranded stainless steel wire. All fittings are protected against rust and corrosion. Canopies are 5" x 1/4" die formed painted steel. Adjustment mechanism allows for infinite height adjustment. Amerlux recommends the required feed and non-feed suspensions based upon length and electrical options. Options include: color of canopy and power cord (black or white), length 4', 10' or 20', and mounting condition, in center of ceiling tile and in gypsum board ceiling (standard) i.e. ASWxxD.

Certifications

Approved to UL standards for damp locations as tested by CSA
Intended for indoor use only

Warranty

Amerlux's 5 year limited warranty. Please consult Amerlux website for details.
